November 8, 2020

Dear West York Cyber Academy Family,

Although we are only a few weeks into the second marking period, the High School administrative team is already busy making plans for our second semester scheduled to start on January 19th. We are reaching out to you with a brief survey so we can best determine how to effectively plan for your child's second semester. Please complete a survey linked [HERE](#) for each student you have currently enrolled in the High School Cyber Academy program. If you have not decided whether your student will be attending classes in-person or if they will continue in the Cyber Academy, please select the "Maybe" button. A member of the Cyber Academy team will reach out to you to answer any questions you may have so you can make the best decision for your student and your family. We thank you for your help and look forward to our continued partnership throughout the remainder of the year.

Sincerely,

Kelly S. Mefford

Assistant Principal
