

WEST YORK AREA SCHOOL DISTRICT

Student Mask Exemption Request & Medical Certification Form

In compliance with the State Public Health Order dated August 31, 2021, District students will be required to wear face coverings, herein termed "mask", while attending in-person at school to the extent required by applicable federal, state, or local laws, regulations, ordinances, emergency orders, or state/local school board action. The District recognizes that some students may have medical conditions, disabilities, or mental health conditions for whom wearing a face covering or attending school in-person may be detrimental, and thus the District will reasonably accommodate these students.

To receive an exemption from wearing a mask, or to provide parental consent, this form must be completely filled out and returned to the school nurse to be reviewed with the Director of Special Ed/Pupil Services.

This form may be updated as further guidelines are provided by the PA Dept. of Health/PDE or other governing agencies.

I request exemption via Parental Consent based on the **November 10, 2021, Commonwealth Court's decision in Corman et al v. Beam.**
