

Greetings Bulldog Families,

To help the District plan for the smoothest arrival/dismissal procedures possible for the upcoming 2020-21 school year, we are asking all families to complete a short survey.

In the effort to increase social distancing for students while on a bus, we are asking families to transport children to/from school, if possible. Masks **MUST** be worn on the school bus at all times. Depending on the number of families who can transport their children to/from school, buildings may need to make adjustments to their previous car-rider procedures.

Parents who choose to transport their children will have the ability to request bus transportation at a later date. It may take a few days to begin this service because of the social distancing requirements on school buses.

This survey will be open until August 7, 2020, @ 4:00 PM.

If your student is attending 100% WY Cyber Academy-you do NOT need to fill out this survey.

Thank you in advance for your support as we work to reopen our schools.
