

Dear Parents and Guardians,

This is a reminder that the West York Area School District will be providing free flu shots to all students, including West York Cyber Academy students, on Tuesday, Sept. 29, 2020, and Thursday, Oct. 1, 2020. The flu shots are not mandatory but are highly recommended. If you have not yet received a flu shot consent form, you can find it [here](#). **Forms may be handed in, emailed, or faxed to your school nurse's office and are due by Tuesday, Sept. 22, 2020.**

- Students in grades K-8 will receive flu shots on Tuesday, Sept. 29, 2020, during school hours.
- High school students grades 9-12 with the last name L-Z (B Cohort) will receive flu shots on Tuesday, Sept. 29, 2020, and high school students with the last name A-K (A Cohort) will receive flu shots on Thursday Oct. 1, 2020, both during school hours.

*******IMPORTANT INFORMATION FOR CYBER ACADEMY STUDENTS:** Flu shots will be offered to all WY Cyber Academy students grades K-12 on Tuesday Sept. 29, 2020, from 8:00-10:00 AM at the High School. Due to our no-visitor policy, students will be met at the main front door by a staff member and accompanied to the auxiliary gym right inside the door. This should take no more than a few minutes. Family members are asked to wait outside. Consents must be filled out and handed in prior so the flu shot team is prepared.

Please contact your school's nurse with any questions. Contact information can be found [here](#). We thank you for your participation and cooperation in keeping our kids healthy and safe!

Sincerely,

West York Area School District Nurses

Ms. Ferber, RN, BSN, High School

Ms. Rose, RN, NCSN, Middle School/Trimmer Elementary

Ms. Green, LPN, Middle School/Trimmer Elementary

Ms. Combs, LPN, Lincolnway/ Wallace Elementary
