West York Cyber Academy families,

On **Wednesday, Nov. 4, 2020**, we will be holding a West York Cyber Academy Student Picture Day from **10 AM - 6 PM** at the High School. Sign-ups can be completed at [this link](#). We will have three photographers and three different areas within the building where pictures will be taken. Those areas will be the main lobby and both sides of the auxiliary gym. When completing the sign-up, please take note of the time you have signed up for, as well as the specific area you chose. We have created block sign-up times to help accommodate families.

In order to maintain safe social distancing, we ask that only students in grades K-3 be escorted by a parent. Students should enter for pictures at the main entrance of the High School at their assigned time. All students will be greeted and escorted to their assigned location by a West York staff member.

Additionally, as a safety precaution, all order forms will be completed online. For more information and ordering details, please visit MyLifetouch.com and enter Picture Day ID: **EVTWHWFQ4**. By ordering online, you will eliminate the need to return anything to school with your student.

As a reminder, all families that choose to order online will receive a bonus of a Shutterfly 8x8 photobook and a \$30 voucher toward anything on the Shutterfly site.

Please direct all questions regarding West York Cyber Academy picture day to the High School main office. We look forward to seeing your smiling faces!

Wayne A. Dull
