Asbestos Hazard Emergency Response Act Letter

This notice is to inform you that the West York Area School District has inspected each of its buildings for the presence of Asbestos Containing Building Materials (ACBM) in accordance with the Asbestos Hazard Emergency Response Act (AHERA) regulations. An asbestos Management Plan has been prepared in accordance with the AHERA regulations. The Management Plan is available for review at the District Administration Building located at 1891 Loucks Road, Suite 100, York, PA 17408 during normal business hours. A copy of the Management Plan for each building is also located in the administration office of that building.

The West York Area School District has performed asbestos abatement projects to remove all known, accessible asbestos containing building materials in each of the Elementary Schools and the High School. The Middle School was built without the use of any asbestos containing building materials.

For more information, please contact Jeffrey L. Ludwig, Supervisor of Buildings and Grounds at 717-792-5912 or Sheri L. Schlemmer, Business Manager, at 717-792-2796 Ext. 1005.
