

12.17.20 information

Dear Students,

We will follow the same schedule for tomorrow's snow day - the Distance Learning "Snow Day" schedule. This schedule will be the same for students attending the Middle School and also those in the West York Cyber Academy.

Teachers will provide work on their Canvas page and be available to you through morning and afternoon office hours. Please see the schedule for your grade level regarding these office hours. Please reach out to teachers through email if you do have questions throughout the day.

Have a great day, and we look forward to seeing you again soon!

Mr. Campbell
