

By now, you have been out of school for several days. Hopefully, you have taken some time to work on the activities and assignments that were sent home with you on Friday, March 13, 2020. If you complete those assignments prior to the launch of our virtual learning classrooms, please keep your brains engaged with any of the following **optional** activities. Many of these activities are appropriate for K-5, if they are for a specific grade level, it is noted - please see both pages:
