

December 9, 2020

Students,

Due to an increase in positive or presumed positive COVID-19 cases and related staffing shortages, we must close our building on **Thursday, 12/10/20 and Friday, 12/11/20**. While the Middle School will be closed, learning will still take place and classes will be held online. During the closure, it is extremely important you follow the plan explained below. This is very different from what you experienced in the spring; you will be expected to Zoom daily into your classes and complete work that has been provided.

Middle School Closure Plan: Distance Learning Schedule and Expectations

The following schedule will be used for teachers to coordinate synchronous lessons with students on **Thursday, 12/10/20 and Friday, 12/11/20**. This is the same schedule that you would normally follow on these days here at school. As a reminder, synchronous lessons are learning opportunities for students and teachers to connect at the same time. We will continue to use Zoom as a way to connect online and hold synchronous sessions. **Therefore, each teacher will be requiring their students to attend a Zoom meeting at the beginning of class (see schedule below) each day unless told otherwise.** The length and nature of the daily Zoom meetings will be determined by the teacher. Information about the Zoom meeting and all work will be posted in Canvas.

Please note: All students **must also** complete the Google attendance form by 8:00 AM to be marked “present” for the day. This should be completed via the Homeroom teacher’s Canvas page.
