Greetings Cyber Academy Families and Students,

Please take a moment to provide some feedback as we approach the end of the 4th month of our Cyber Academy's inaugural school year. We will be seeking feedback from our families several times throughout the year. Your perspective from home will be helpful as we refine and continue to improve our program. The Cyber Academy team recognizes your experiences may be different depending on your student and grade level, so we encourage you to complete 1 survey for each child you have participating in our West York Cyber Academy Program.

Thank you for your feedback and participation as we work to provide a high quality education for all of our students in this unprecedented school year.

This survey will be available until 12/18/2020.
