

Do you Want to be part of the WYAMS Student Council?

About the WYAMS Student Council

- Do you want to make a difference this year?
- Do you want school to be an even more fun and exciting place to be?
- The WYAMS School Student Council plans and organizes events for middle school students as well as creates fundraisers and participates in service projects to help the community.

Who Can Participate?

- The WYAMS Student Council will consist of roughly 15 students from each 6, 7, and 8 grades. Student Council members are student leaders and are expected to act as such at all times. Members of the student council are held to a high standard both **academically and behaviorally**. In order to participate in Student Council, all members must sign the contract and adhere to the expectations. If a student is unable to meet the requirements listed, they will be asked to step down.
- We are looking for some dynamic, enthusiastic, and committed Middle School students to join the Student Council for the 2020-2021 school year. Qualities necessary for any member on student council are:
 - o **Leadership skills** – Are you willing to lead committees and be a representative for your class?
 - o **Creative** – Are you able to think of new and exciting activities and fundraisers for the student council?
 - o **Communicative** – Are you able to share ideas with other student council members, your class and all of middle school?
 - o **Team player** – You could be working with a team to generate ideas and organize events for the Student Council.
 - o **Responsibility** – You may be responsible for running activities throughout the school and you must be reliable.
 - o **Commitment** – This is a year long activity and if you volunteer now, you will be expected to come to all meetings for the remainder of the year. There will be at least 8 meetings throughout the year after school, so if this does not fit into your schedule, please do not volunteer.

Benefits of Participating

Students should consider this extra-curricular activity because it helps to build character, leadership, decision making, organization skills and responsibility.

When & Where Does The Club Meet?

Students joining the student council will be supervised by Mr. Johnson. Meetings will be held at least once per month and will take place either in person or via zoom. **Interested students MUST be willing to commit to after school meetings, fundraisers, and community service projects.**

Staff Advisor & Additional Information

For additional information about the WYAMS Student Council, please contact Mr. Johnson.
