

**December 9, 2020**

Students,

Due to the number of positive Covid cases and staffing issues at the High School, we will be closing our building for the next four days. Therefore, you will not report to school Thursday or Friday this week. All extra-curricular activities and practices will not be held. Activities and in person instruction will resume Monday, December 14th.

During the closure, **it is extremely important you follow the plan explained below both Thursday and Friday.** This is very different from what you experienced in the spring; you will be required to zoom into your classes and you will be held accountable for the work expected of you. ALL students are expected to follow this schedule; the A/B schedule will not apply for Thursday and Friday ONLY. Instead, ALL STUDENTS will zoom into classes on both Thursday and Friday. We will resume the A/B schedule on Monday, December 14th. Therefore, Monday, only A cohort students will attend.

### **High School Closure Plan: Distance Learning Schedule and Expectations**

The following schedule will be used for teachers to coordinate synchronous lessons with you the next two days. As a reminder, synchronous lessons are learning opportunities for you and your teachers to connect at the same time. We will continue to use Zoom as a way to connect online and hold synchronous sessions. Therefore, each teacher will be requiring all of their students to attend a zoom meeting at the beginning of class (see schedule below) each day unless told otherwise. The length and nature of the daily zoom meetings will be determined by the teacher. If, for some reason, a teacher is unable to attend the zoom meeting, you will receive a notification from your teacher.

Please note: **All students must also complete the attendance form by 9:00 am to be marked "present" for the day.** This should still be completed via your first block teacher's Canvas page.

<b>11:30-12:30</b>	<b>LUNCH</b>

*Students are expected to attend and participate in ALL synchronous sessions every day. All sessions will begin promptly at the times listed.*

## **IMPORTANT INFORMATION FOR STUDENTS:**

- Attendance is mandatory for all synchronous learning sessions (zoom sessions). Teachers will assess students during that time and points will be given. Therefore, if a student does not attend a mandatory zoom session, points will be lost.
- The student dress code applies to all zoom sessions. Students must be dressed appropriately at all times.
- The student code of conduct also applies at all times. Students should remain respectful of others, the teacher, and themselves, and abide by the teacher's expectations for the virtual classroom.
- The A/B schedule no longer applies the next two days. Students are expected to attend zoom sessions as required each day.

Please reach out to your teachers if you have any questions or concerns. Take care and stay safe! We look forward to seeing our A cohort students on Monday and B cohort students on Tuesday!
