Greetings Cyber Academy Families and Students,

Please take a moment to provide some final feedback as we approach the end of our Cyber Academy's inaugural school year. This will be your last opportunity in the 2020-21 school year for feedback in this manner. Your perspective will be helpful as we refine and continue to improve our program. The Cyber Academy team recognizes your experiences may be different depending on your student and grade level, so we encourage you to complete one survey for each child you have participating in the West York Cyber Academy Program.

Thank you for your feedback and participation as we work to provide a high quality education for all of our students in this unprecedented school year.

**This survey will be available until 5/16/2021.**
